The Netto Collection at B Braithwaite

Inspired by timeless Parisian antiques, Nancy Braithwaite, along with her daughter Chaffee, wanted to bring something fresh to the Southeastern baby furniture market. Their goal was to introduce sweet, classic baby furniture that would be fitting with the rest of the décor in the house. The

chic store features high-end products for babies and parents alike, from furniture by DucDuc, Netto Collection and custom-designed pieces by Nancy herself, to The Bearington Bear Collection and clothing for children up to 2 years old. For the new mom, B Braithwaite has a “pamper station” that sells Mustela products,

Vera Wang picture frames, Little Showoffs maternity tees, massaging shoes and much more. Gift registry also is available. —SARAH KAMMERSGARD
